Dear Greeners,

It is with great enthusiasm that we unveil the list of the finalist video spots!

The preselection of the spots was based on a set of criteria present in the rules and regulations, such as creativity, originality, social and environmental impact and innovation, among others.

All finalists are therefore invited to attend the grand finale, on **June 6th 2025** at Fábrica de Santo Thyrsó, in Santo Tirso.

The finalist video spots will compete in the following categories / awards: *Grand Prize bgreen // ecological film festival*, *Bgreen Junior*, *Honorable Mention award*, *People's Choice award* and *Best Making Of award*.

Bgreen // ecological film festival is extremely grateful to all who participated!
